Dear Colleagues,

On behalf of the World federation of critical care nurses (WfCCN) and the Serbian Nurses Society of Intensive Care, Anesthesia and Reanimation (UINARS), it is our great pleasure to invite you to attend the inspiring World Congress which became the main point in the critical care nursing calendar. The 13<sup>th</sup> WfCCN & 10<sup>th</sup> UINARS Congress will be held in the vibrant and cosmopolitan city of Belgrade, Serbia, during 25-28<sup>th</sup> October 2018.

The aim of this international event is to provide participants rich and stimulating congress experience reflecting the strength of the collaboration and motivation of nurses working with critically ill patients.

Perhaps more important aim of the Congress is to build new and enhance existing international networks, exchange ideas, experiences, and knowledge to advance our World critical care nursing profession.

In addition to the promising and incentive professional program, the city of Belgrade, as one of the oldest cities in Europe, has remained a vibrant, lively and culturally rich location worth visiting.

Looking forward to welcoming you in Belgrade.

Drage kolege,

U ime svetske Federacije sestara intenzivne nege (WfCCN) i Udruženja medicinskih sestara intenzivne nege, anestezije i reanimacije Srbije (UINARS), veliko nam je zadovoljstvo da vas pozovemo da učestvujete na inspirativnom Svetskom kongresu koji je postao glavni događaj u kalendaru medicinskih sestara intenzivne nege. 13. WfCCN & 10. UINARS Kongres će biti održan u uzbudljivoj i kosmopolitskom gradu Beogradu, u Srbiji, tokom 25 - 28. oktobra 2018. godine.

Ovaj međunarodni događaj ima za cilj da pruži učesnicima bogato i stimulatívno kongresno iskustvo koje odražava snagu saradnje i motivacije medicinskih sestara koje rade sa kritično obolelim pacijentima. Možda je još važniji cilj kongresa proširenje postojećih i izgradnja novih međunarodnih mreža kontakata, razmena ideja, iskustava i znanja kako bi se unapredila naša Svetska profesija za intenzivnu negu.

Pored obećavajućeg i podsticajnog stručnog programa, grad Beograd, kao jedan od najstarijih gradova u Evropi, ostao je šarolik, živahan i kulturno bogata lokacija koju je vredno posetiti.

Radujemo se unapred da Vam poželimo dobrodošlicu u Beogradu.
